Genomic and Precision Medicine Forum

“Making Genomic Medicine a Reality for Vermont”

Date: April 13, 2017
Location: 2240 CIEMAS Conference Room
CIEMAS Building, 2nd Floor
Directly Above Twinnies’ Café
Time: 12:00pm – 1:00pm
Presenter: Debra G. B. Leonard, MD, PhD

Debra G. B. Leonard, MD, PhD, is Professor and Chair of the Department of Pathology at the University of Vermont College of Medicine and Physician Leader of Pathology and Laboratory Medicine at the University of Vermont Medical Center. Dr. Leonard is a leading expert in molecular pathology and genomic medicine, applying our understanding of the human genome and pathogen genomes to the diagnosis and treatment of human diseases, including inherited disorders, cancers and infectious diseases.

Credit Designation Statement: Duke University Health System Department of Clinical Education and Professional Development designates this educational activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should claim only credit commensurate with the extent of their participation in the activity.
