Genomic and Precision Medicine Forum

“Precision Emergency Medicine: Systematic Molecular Profiling for Acute Care Conditions”

Date: May 11, 2017
Location: 2240 CIEMAS Conference Room
CIEMAS Building, 2nd Floor
Directly Above Twinnies’ Café
Time: 12:00pm – 1:00pm
Presenter: Alexander T. Limkakeng, Jr., MD, MHSc, FACEP

Dr. Limkakeng is an Associate Professor and Director of Acute Care Research at Duke University’s Division of Emergency Medicine. He recently served as Co-Director for the American College of Emergency Physicians Research Forum in 2016, and was recipient of a Duke PDC ENABLE grant to study metabolomics in acute coronary syndrome.

Credit Designation Statement: Duke University Health System Department of Clinical Education and Professional Development designates this educational activity for a maximum of 1 AMA PRA Category 1 Credit(s)™. Physicians should claim only credit commensurate with the extent of their participation in the activity.
